THE EXCEPTIONAL RANGE

“A RANGE YOU CAN TRUST”

Dear Customer,

Welcome to Able-Aid's Exceptional Range Catalogue 2012-13.

In order to give you confidence and peace-of-mind when purchasing care equipment, we have selected a range of Mobility & Daily Living products we have complete trust in; a range that we have championed over the past fifteen years of trading; a range that we feel best suits our customers' needs and, above all, lives up to its designed purpose. This is why we have called it the 'Exceptional Range' catalogue.

We trust you will find this catalogue both interesting and helpful. Should you require further information or would like to book a demonstration or assessment with any of these items, please do not hesitate to contact us, our specialist advisors are always available to provide helpful guidance.

Yours Sincerely,

The Able-Aid Team

TESTIMONIALS

“Whilst writing I would like to thank you and all the team at Able-Aid for the excellent advice and service you gave to my parents and me over the past years.”

Satisfied Customer: P.E.

“Many thanks for sorting my father out in his/my moment of stress”

Satisfied Customer: D.H.

“.....We were also very pleased with the excellent service we got from the rep”

Satisfied Nursing Home: P.J.S.

Stairlift

Many people with reduced mobility find the stairs a challenge and are often faced with the choice of either having to move their bedroom down-stairs or moving out. Our range of stairlifts are the solution to this dilemma.

Straight Run Stair-Lifts

Our straight-run stairlift is compact and easy to operate with the benefit of being able to fold out of the way for other stair users. There is a large range of types and styles to suit your home.

Curved Rail Stair-Lifts

Should you require a curved rail lift we are proud to offer the most unobtrusive model available. This stylish and highly functional lift can be configured to almost any stairway! A truly exceptional solution - Seeing is believing.

Fixed Back Bathlift

The safe & simple answer for all those who experience difficulty getting in and out of the bath. Our Bathlift offers a strong and sturdy method of lowering in & out of the bath - eliminating any difficulty in standing up from such a position. They are fixed to the bath with four suction pads making them lightweight and transportable.

Battery Type: Removable, rechargeable 7Ah battery stick

User Weight: 140 kg (22 stone)

Warranty: 2 years warranty

Reclining Back Bathlift

Likewise, our reclining back bathlift is fixed to the bath by removable suction feet and is used to lower persons into the bath and lift them up again, but with the added benefit of a reclining backrest - offering greater relaxation and ease of washing. This model has a very compact fold for transport and storage - making it easily portable for those trips away.

Battery Type: Removable, Rechargeable 7Ah battery stick

User Weight: 140 kg (22 stone)

Warranty: 2 years warranty
